

## Top 10 Loss by State

## Conclusion:

Among the 3 categories, Technology products are highly sold and profited.

Sales and Profit are strongly related to each other.

Furniture is highly sold but least profited.

The loss in profit occurs in Bookcases and Tables in the furniture category.

Profit is mostly from California and New York.

Top 5 states where high number of sales occurs are California, New York, Pennsylvania, Texas and Washington D.C.

Highest loss of almost -26,000 is occurred in Texas and it is due to furnitures...
